

JT-720 Series

ST-725 Series

Series Model

- JT-720EA:125KHz Em Marin format
- JT-720MA:13.56MHz Mifare format
- JT-720MAF:13.56MHz Mifare SOCA format

* The specifications of both ST-725 and JT-720 series are the same except the position of the relay.

Special features

- 8 sets of door opening password available for user to set.
- External yellow light available for user to set.

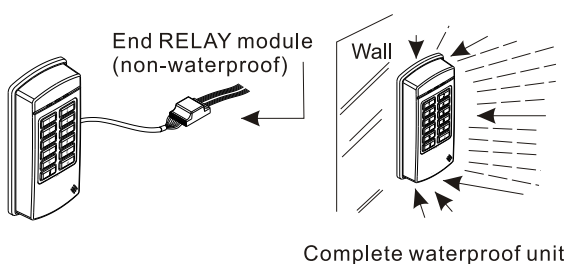

- 1000-card capacity. Gray and White outer case available to select.
- Multiple water proof design to be able to install outdoors.
- JT-720 EA/MA provides 2 sets of external RELAY for door opening and siren.
- ST-725 EA/MA with built-in door opening RELAY.
